EASIJET 1000

Simply attach the printer to your production line and start printing onto Carton, Tray, or other products, with excellent print quality.

Features and Benefits:

The Easijet 1000 © inkjet printers is a compact, single line, ink jet system and with a choice of character heights. Whatever your coding needs, the Easijet 1000 system can be programmed quickly and easily. Product names, identification numbers, automatic production counts and accurate-to-the-minute time code capabilities are available at the touch of a button.

The Easijet1000 system can be assembled and installed in minutes. Mounted directly to your conveyor, it includes: controller/key-pad, printhead, power pack, power cord, mounting brackets, ink cartridges and solvent cartridge. Simply plug it in and your ready to print

Easy-to-use icon keys allow you to adjust and edit product codes with a few simple keystrokes. Customize time and date codes, expiration dates, rollover hour and more. Menu driven programs include electronically accurate automatic date change, clock functions and consecutive counts.
